PAVEMENT REHABILITATION ON NH ROUTE 9 IN CHESTERFIELD
6.8 MILES FROM SPAULDING HILL ROAD TO SPRING STREET

The New Hampshire Department of Transportation announces work is scheduled to begin the week of April 18, 2005 on the rehabilitation of 6.8 miles of NH Route 9 in Chesterfield from Spaulding Hill Road to Spring Street.

This project also includes guardrail and drainage improvements. Occasional one-way alternating traffic will be necessary. Nighttime paving work is expected to begin in June.

Lane Construction of Meridan, Connecticut is the general contractor for the \$5 million project, which has a final completion date of October 2005.
